**Subject:** Date for Conference Call on Proposed Se Criterion for CA: ESA Consultation

Hi All,

Since it's been a few months since our last conference call on our proposed selenium water quality criterion for CA, EPA thought it would be good to have a call in August. We'd like to provide an update, as well as let you know that we are planning to start the informal ESA consultation process (per the Consent Decree) by the end of August. Agenda to follow.

I'm trying to find the best date/time for everyone (or most everyone). Please let me know if any of these one-hour time slots work (or if easier, which will NOT work):

**Pacific Time Zone:**

Monday 8/26: 11-12; 12-1; 1-2;

Tuesday 8/27: 9-10; 12-1;

Wed 8/28: 12-1; 1-2;

Thurs 8/29: 9-10; 12-1; 1-2.

Hopefully one of these will work for everyone. Thanks,  
Diane
